BRIEF ABSTRACT OF LETTER.

Submits duly verified the pension application of M. Narain Rao and reports that an invalid pension not exceeding Rs 12-13-9 p.m is admissible to him

NOTES AND ORDERS.

1) The applicant who was serving in the Chitaldrug District has been invalided by a certificate granted by the Dt and medical officer of the Bangalore Dt. The compholler points this out and states that it is opposed to G.O.

The explanation of the Chief Engineer as to why a certificate from the Dt. and medical officer of the Bangalore Dt. was produced instead of one from that of the Chitaldrug Dt. is given in his letter No. 3649 d. 9-5-13. (copy rec.) to the Comptroller.

3) The Rule in the M.S.R. requires an invaliding Cert. from a Dt. Medical Officer as below the Rank mentioned. It does not say that the Cert. shd be from the Med. Officer of the place where the Govt. was serving. The precedent quoted has no application as the Cert. in the case from was by a Medical Officer under the British Govt. It is manifestly unnecessary to send a man, who is on leave at a Govt. place, where there is competent Dr. to go to Camp, to the place where he holds an Employment merely for the sake of an invaliding Cert. The Comptr's objection does not therefore seem to be tenable.

The pension as reported by the Comptr may be sanctioned

6) As art 307 M.S.R now stands, I think the Comptroller's opie is right.

7) But the view taken by Asst Secy Fin seems to be the right one from a common sense point of view. The words "the District medical offr" in the 6th line of art 307 may be changed to "a Dist. medical offr"

8) Ofcourse the official himself cannot chose his the medical offr who is to examine him; this is ~~exploded~~ prevented by requiring a letter from the head of the offe or the department being produced before the medical offr.

9) The corresponding article in the British India C.S.R. art 442-3 leave no room for such difficulty. In fact in British India the medical offr nearest the place where an offr may be spending his leave is generally selected for examining him for sick with a view to invaliding.

Submitted to His Highness.

22 In submitting to Government the pension application on behalf of one M. Narain Rao, late Taluk Maistry, Chitaldrug Division, the Comptroller reported that the medical certificate incapacitating the applicant for further service, which, under Article 307 of the Mysore Service Regulations, should have been given by the District Medical Officer of Chitaldrug as the applicant was serving in that District, had been granted by the District Medical Officer of the Bangalore District, and that it was left to Government to accept the certificate or not.

S

23 The question was fully discussed as the office notes in S & A File No.618 of 1912-13 will show and the pension to which the individual in question was entitled, was sanctioned on the strength of the certificate granted by the District Medical Officer, Bangalore.

J

24 In dealing with the case, however, the Financial Secretary suggested a modification of Article 307 as indicated in the accompanying draft addenda and corrigenda.

"Draft for approval"

25 The Financial Secretary also explained that in British India the Medical Officer nearest the place where an officer may be spending his leave is generally selected for examining him with a view to invaliding

Sta 618-12

With reference to your No.7214/859 dated the 26th April 1913 I have the honour to inform you that Taluk Maistry M.Narayana Row, attached to Chitaldrug Division, was on long leave extending over 3 years, 2 months and 14 days, during which he seems to have been very ill. As he happened to be in Bangalore at the time, he was ordered to appear before the District Medical Officer of the Bangalore District and produce a certificate of incapacity for further service.

2. When you desired to know whether he was not fit to serve in any other Department- vide your letter No.5044/Pen:599 dated the 5th February 1913, the Superintending Engineer, Northern Circle, directed the Taluk Maistry to appear again before the Bangalore District Medical Officer, for further examination because the man was in Bangalore.

3. The Government Order No.2258-9/Medl: 13-22-32 dated the 11th September 1912, quoted by you, seems to apply to medical examinations conducted by Medical Officers not belonging to the State. When such an examination can be easily made by one of the State Medical Officers in Bangalore, it will merely be a waste of time to ask the Taluk Maistry to go to Chitaldrug to produce the necessary certificate.

4. If you are still of the same opinion as expressed in your docket under reference, the matter may kindly be placed for the orders of Government with the pension papers of the Taluk Maistry, in order to save further delay.

I consider him to be completely and permanently incapacitated for further service of any kind (~~or in the~~ in the Department to which he belongs), in consequence of Nervasthenia

His incapacity does not appear to be due to have been caused by irregular or intemperate habits.

Certificate and Report of the Comptroller.

Certified that (~~subject to the Remarks below recorded~~) qualifying service in Superior, ~~Inferior~~ grades, has been duly proved for 20 years, 10 months, nil days, and that an Invalid Pension, ~~Gratuity~~, not exceeding Rupees 12-13-9 (Rupees twelve annas thirteen and pies nine) is admissible under Articles 306 & 336(b) of the Mysore Service Regulations, ~~3rd~~ 4th Edition.

But the full amount admissible under the rules is not to be given as a matter of course, or unless the service rendered is really approved, *vide* Article 337 (*a*) of the Regulations.

The calculations have been duly verified. The Pension, ~~Gratuity~~, is chargeable to General Revenues.

The medical certificate incapacitating the applicant from further service should have been given by the District medical officer Chitaldrug vide art. 307 M.S.R. as he was serving in that District. On a reference made to the Chief Engineer for obtaining sanction of Government to accept the certificate granted by the District medical officer, Bangalore, he says in his letter No. 3649 dated 9th May 1913 (copy of which is herewith enclosed) that such a course is not necessary as the applicant is residing in Bangalore, and if this office is still of the same opinion the matter may be placed before the Government. It is therefore left to Government whether to accept the certificate granted by the District medical officer Bangalore as a special case, or reject the claim for pension until a certificate of incapacity for further service granted by the District medical officer, Chitaldroog, is produced.
